Detail-Oriented	

EXPERIENCE

2D/3D Designer

Oct 2024 - Present

Parker's Crazy Cookies LLC, California.

- Created precise 2D and 3D digital caricatures from client photos to design custom, personalized cookie mold inserts.
- Partnered closely with the production team to seamlessly transition intricate digital designs into high-quality physical products.

AI Contract Designer

Jan 2026 - Feb 2026

Basilica - ICP Is Everything, Atlanta,GA.

- Utilized Midjourney and NanoBanana to generate custom, studio-quality imagery and refined character poses.
- Directed lead magnet PDF production by seamlessly integrating generative AI tools with Photoshop and InDesign.

Freelance Graphic Designer

Oct 2020 - Dec 2024

- Engineered engaging social/web content by pairing market research with AI image/video generation tools for TikTok, Instagram and websites.
- Designed high-conversion visual identities, style guides, and marketing collateral (brochures, flyers, product packaging) that elevated client product appeal/presence.
- Streamlined workflows under tight deadlines with clear client communication

Clients:

• Travel Hotline	• Peaceprints of WNY	• Accolade Engineering
• Boston Easy Biotech	• Visitation House Ministries	• 24 Nuts & Seeds
• Munachu LLC		

Graphic Designer

Aug 2022 - Jun 2023

Faegre Drinker Biddle & Reath LLP, California.

- Supported the firms Design Lab Team by generating graphics, page layouts and typography for their Apple store eBook and 4 volume print-ready book series about won cases
- Assisted in designing firm brand templates, handouts and an extensive infographic database to streamline internal creative assets.
